Hi there. Spent all day on CPRA issues. Sorry that this is so late... and honestly just a start. There are others more gifted than me who can do a better job at this. But here are a few lines that may inspire others to build on the themes. Hope this helps.

Downtown is a mosaic of cultures and backgrounds. We live, work and play together. We are ONE Downtown. Better together. Stronger together.

On April 6, an important decision about the future of Downtown LA is at stake..... And YOU are not informed!

There's been no notice, no information, no publicity about this important vote affecting the future of Downtown LA.

Whatever your point of view, we are being rushed to make a serious decision without understanding what we are voting for or against.

Should the area between Main and Alameda, Third and Seventh Streets, be its own

separate neighborhood council? Is this area going to have a voice as part of the greater Downtown, or only in Skid Row?

If you are involved in Downtown LA anywhere between the Convention Center and Dodger Stadium, you can vote in this election. But did you even know an election was taking place that may affect Downtown LA for years to come?

How could this happen?

It WILL happen. The City has approved it. Now we must take action. Vote in person or online. The solution is not to divide us. Vote NO.
